**Re:** Associate Membership Application

Dear Dano,

It is with pleasure that I write to inform you that your Associate Membership application in the Other category has been provisionally approved by the BC Soccer Board of Directors.

Whether your association is new to the BC Soccer family or returning for another exciting year, we are pleased to have you as a member of our association. Your organization is important to soccer in BC and I would like to thank you for all you do to service and support the game.

You and your organization should be aware that BC Soccer's Board of Directors provisionally approves all Associate Memberships, which grants associate membership status as of the board meeting date. Constitutionally all provisionally approved and renewing Associate Members must be approved / accepted annually by the voting full membership of BC Soccer, which is done at the Annual General Meeting (historically held in mid-June). Based on this, should there be any alternations to your membership status after the next AGM, we will be in touch.

As an Associate Member, NIFA's membership will expire on March 30, 2015, which you can renew on an annual basis by submitting the Associate Membership Renewal Form and fees prior to this date.

BC Soccer, thanks to our members, is the largest provincial sport organization (PSO) in BC and the third largest soccer specific PSO in Canada. We believe in the power of soccer and look to develop and grow our game by emphasizing its benefits of active and healthy living while supporting our members to strengthen and unite their local soccer community.

We, as an association, look forward to working with you to implement a shared vision which supports the development of soccer in British Columbia. Should you have any questions, feedback and / or suggestions to further improve our service and member benefits, please feel free to be in touch.
