Re: Team Confirmation for NIFA Youth Select Teams Hawaii 2018.

To Whom It May Concern:

On behalf of NIFA elite team head coaches, I am pleased to confirm _____
Has been selected to play for the NIFA elite soccer teams that will to Honolulu, Hawaii and participate in the Waipio International Youth Soccer Tournament from August 11-21, 2018.

NIFA is a sanctioned non-profit society which was established in 1990. NIFA is supported by resolution from our respected Chiefs the AFN Chiefs , Union of BC Indian Chiefs , First Nations Summit Chiefs.

Youth players selected to play will compete against international and local premier Hawaiian elite teams.

We are pleased to announce 12 youth teams, co-ed and gender specific age categories who will travel in 2018. Soccer improves physical health and quality of life as well as offering opportunities for developing leadership skills and career opportunities through soccer (football)

Athletes who have qualified to play with NIFA will require the utmost commitment and dedication. The benefits of the NIFA program will give each player the opportunity to be a positive role model and ambassador for their communities and families.

Preparation has been costly for the players and families as they have travelled to two training camps on Vancouver Island and the Fraser Valley. We will have two team building camps and two tournaments before the trip, which are necessary for players to team build and prepare with their coaches. Costs have been covered by the players.

The total cost for all players and participants is **\$2290.00** and each person is committed to this great opportunity in Hawaii. Please support our talented soccer players as they prepare to play and travel overseas.

If you have any questions please feel free to contact me via email danothorne@outlook.com or on our website www.nifa.ca . Thank you for your time and attention. NIFA Male and Female teams U14, U16, U18 and coed teams at U8,U10,U12.

In the spirit of our youth footballers,

Dano Thorne, Head Coach~NIFA Soccer
