RE: Women's NIFA Gold Medal win.

Dear Dan,

Canada Soccer wishes to offer congratulations to Team Indigenous Canada for their hard-earned gold medal in soccer at the inaugural World Indigenous Games held in Brazil earlier this month.

This accomplishment is even more impressive with Team Indigenous Canada defeating the home team in front of the home crowd in Palmas. I know the entire indigenous community is proud of this monumental victory, as are we at Canada Soccer.

Please pass on our congratulations to NIFA, your players, and staff.

Sincerely,

Victor Montagliani
President
